

AF4 Course Timetable

- This is **YOUR** study timetable to keep you on track towards passing the exam.
- We will send you an email every Tuesday confirming what module you are studying in line with the dates below.
- Each week your plan consists of reading your notes, completing your workbook, watching your videos, completing your online quiz and attempting your exam style questions. We will upload the written model answer and video tutorial for these each Monday as outlined below for you to check your answers.
- You are also invited to attend our live Q&A tutorials AND our live Virtual Workshops – all dates below.
